# SPANISH LANGUAGE PROFICIENCY TRAINING

**COMFORT LEVEL COURSE (60 HOURS)**

The key focus is to develop communicative fluency, accuracy, and confidence. The communicative work will also be underpinned by a systematic approach to grammar, vocabulary development, and skills work. The Skillwise Academy Course provides you with a good idea of possible themes, grammar and vocabulary fields. They are flexible rather than prescriptive, in that they will be adapted to your specific level, aims and interests. The Skillwise Academy course will run on blended learning model, which involves a combination of different training formats on Classroom and Virtual Classroom. Skillwise Academy comfort level course is primarily concerned with spoken Spanish and deal with basic understanding of how to read and interpret common characters, words and numbers to help get around.
